

Street Surfing and The Wave Skills P.E. Program support the First Lady's
Let's Move Campaign

To show our support, we are giving away **1,800** Wave boards to schools around the United States to help Physical Education teachers reach their goals.

Now your school can enjoy The Wave Skills P.E. Program year round. Please accept our offer to provide your school with 10 Wave boards to add to your Physical Education program. It is our hope that these boards will help you promote health and fitness while having fun.

Fax back the following form and we will send your school 10 Wave boards to include in your daily PE curriculum - boards are absolutely FREE!! (schools are responsible for \$50 shipping/handling only).
